Dunlop & District Community Company
(Company limited by guarantee)
Trustees' Report
for the year ended 31 July 2019

The trustees present their annual report and financial statements for the year ended 31 July 2019.

Objects of the company and principal activities

The objects of the company, which are set out in the Memorandum and Articles of Association dated 19 July 2002 (and amended by Special Resolution at the Annual General Meeting on 11 December 2004), are "To promote the benefit of the inhabitants of Dunlop and District by associating the local statutory authorities, voluntary organisations and inhabitants in a common effort to advance education and to provide (or assist in the provision of) facilities in the interests of social welfare and recreation and other leisure-time occupation so that their condition of life may be improved and to promote, protect, conserve and enhance the environment of Dunlop and District for the benefit of the inhabitants thereof. " In pursuit of the above objects, the company retains leasehold possession of Dunlop Village Hall and has entered into a Lease and Management Agreement with East Ayrshire Council in respect of Dunlop Playing Field and Pavilion.

Organisation of our work, development, activities and achievements

This review looks at what the company achieved and the outcomes of its work in the previous 12 months.

The main objective for the year continues to be the management, operation and maintenance of Dunlop Village Hall as an asset for the benefit of the local community. In addition to ensuring that the building is available for a broad range of users, the company is also responsible for running the weekly community cafe, the regular community cinema, and the programme of art exhibitions in the conservatory.

Throughout the year, Dunlop Village Hall caters for a variety of activities that cover all ages and interests of the local population and the following is a brief resume to highlight the diversity of use.

The significant users of the facilities continue to be PEACE childcare, who provide before and after school care during term times, and Dunlop Players, the successful local amateur dramatic association. The Players use the main hall and stage frequently for rehearsals and also for costume and set preparation leading up to their annual pantomime and short play performances.

Organisations such as the Women's Institute, the Masons and the Community Council use the rooms for regular monthly meetings, and throughout most weeks and at varying times of the day, an array of classes and groups are happening in different parts of the building. These encompass various forms of art (3 separate classes), knitting, sewing, dancing, taekwondo, Pilates, yoga, mini tennis and personal fitness training.

As well as regular users, Dunlop Village Hall is utilised by many local groups and individuals for one-off events with over 30 different bookings having been made during the past year. These have included concerts, shows, charity fund-raising events, lunches for Senior Citizens and the Alzheimer's Support Group, the Lugton Burns Supper and Barn Birdies Dinner, SWI Whist Drive, Ayrshire Hospice Craft Fair and Christian Aid Coffee morning, a specialist handicraft class, various parties and other social events. The flexibility of the Dunlop Village Hall was ably demonstrated in July 2018 when it hosted three weddings on consecutive weekends, all of which adopted quite different approaches in terms of decoration, table layouts, catering, bar and music. The company also benefits from the use of the hall by Dunlop Primary School, with the cinema equipment being recognised as a useful resource to them for both educational activities and social events. Many other local schools are now using cinema equipment.

The diversity of these events and activities ensures that the Hall continues to be at the heart of community life and a focal point catering for all interests and ages. Maintaining the success and achieving future development depends, however, on volunteers being available to act as trustees, to provide administration support, work in the cafe, help run the Cinema, open and close the building for the various user groups, or contribute to the work of the various committees. Without them, Dunlop Village Hall could not function, and the trustees would again like to put on record their appreciation of the work done by the many people who give their time and expertise freely in support of the company.

In addition to managing Dunlop Village Hall, the trustees have responsibility for the Playing Field and Pavilion in the centre of the village. The objective is to maintain these assets as useful outdoor recreation facilities and improve them as appropriate to meet the community's needs.

Trustees' Report

for the year ended 31 July 2019

Financial Review

The company's balance sheet on page 7 shows a satisfactory position with unrestricted funds amounting to £102,570 (2018 £82,179) held for the purpose of meeting the day-to-day running expenses of Dunlop Village Hall.

The net income for the year arising from the company's charitable activities amounted to £20,391 which compares favourably with that for 2018 of £9,108.

The restricted funds represent the company's investment to date in fixed assets and the movement during the year of £24,758 is wholly in respect of depreciation, which is being charged so as to write off the cost of the total expenditure incurred to date over the term of the lease of the Dunlop Village Hall until its expiry in 2031.

Principal Funding Sources

The principal funding source for the company is the revenue generated from the hire of accommodation within Dunlop Village Hall. Funding is also generated by way of surpluses from the operation of the community cafe, the running of the community cinema and the provision of bar services for events. Fund raising events and donations provide additional income.

Reserves policy and going concern

The present reserves policy is to maintain sufficient unrestricted funds (that is those funds that are freely available) to meet the maintenance and running costs of the Hall for at least two years. These annual fixed costs are unlikely to exceed £25,000 and are well covered by the existing unrestricted funds which now stand at £102,570.

The trustees' assessment is that there are no material uncertainties affecting the charity and that it is clearly a going concern. On this basis, the trustees have concluded that it remains appropriate to prepare the charity's accounts on a going concern basis.

Structure, Governance and Management

Governing Document

The company is limited by guarantee, has no share capital and has charitable status. In the event of liquidation, the liability of each member is limited to £1. The company is governed by its Memorandum and Articles of Association.

Recruitment and Appointment of Trustees

The charity's trustees, who are also the directors of the company for the purposes of company law, give their time voluntarily and received no benefits from the company.

The maximum number of trustees at any one time is 9, of whom no more than 3 may be Group Nominees. At each annual general meeting all trustees who have been appointed by the trustees since the last annual general meeting are required to retire from office, but are then eligible for re-election. Out of the remaining trustees, one-third are required to retire from office, of which retiring trustees one-third shall be trustees who were appointed from Group Nominees.

Risk Management

The trustees have a duty to identify and review the risks to which the company is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error. They have reviewed systems and identified steps to mitigate those risks. The major risks identified were the future levels of income, and unforeseen changes in the level of support for its activities. These risks are diminished by active management review.

Organisational Structure

The trustees are responsible for the strategic direction and policy of the company. They act as a management board and take collective responsibility for all legal and financial matters; co-ordination of Health and Safety requirements; the development of the facilities; and the day to day operation of the Hall as a community facility, including diary management, booking arrangements, security, heating and cleaning etc.

The Cafe Committee is responsible for operating the Conservatory Cafe on Thursdays and Fridays and on the first Saturday of each month and the Cinema Committee is responsible for managing a programme of film events from September to March. Each of these committees is chaired by a trustee who reports to monthly meetings.

Trustees' Report

for the year ended 31 July 2019

Statement of Trustees' Responsibilities

Charity law requires the trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the company and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- * Select suitable accounting policies and then apply them consistently;
- * Observe the methods and principles in the Charities SORP;
- * Make judgements and estimates that are reasonable and prudent;
- * State whether applicable UK Accounting Standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- * Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

Douglas Bell	(co-opted 28 January 2015 and re-elected 20 January 2016)
David Kerr	(re-elected 16 January 2013 and resigned 12 February 2019)
Susan McCabe	(co-opted 14 May 2019 and resigned 6 August 2019)

Independent Examiner's Report

Independent Examiner's Report to the Trustees of Dunlop & District Community Company

I report on the financial statements of the charitable company for the year ended 31 July 2019 which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and, consequently, I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination of the financial statements for the year ended 31 July 2019 no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Notes to the financial statements
for the year ended 31 July 2019

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their financial statements in accordance with Financial Reporting Standard 102 (effective 1 January 2015), the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006. The principal accounting policies adopted in the preparation of the financial statements are set out below.

The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.3 Income

Donations and legacies are recognised where there is entitlement, where receipt is probable and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies that the donation must only be used in future accounting periods, or when the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Income from government and other grants, whether capital or revenue in nature, are recognised when the charity has unconditional entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably. Unconditional entitlement will be achieved once any performance or other conditions attached to the grants have been met, or fulfilment of those conditions is wholly within the control of the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity.

Income from charitable activities includes income earned both from the supply of goods or services under contractual arrangements and from performance-related grants which have conditions that specify the provision of particular goods or services to be provided by the charity. Income from charitable activities is recognised as earned (i.e. as the related goods or services are provided).

1.4 Expenditure

Expenditure is recognised on an accruals basis when a liability or constructive obligation is incurred, inclusive of value added tax which cannot be recovered. Expenditure on charitable activities includes all costs incurred by the charity in undertaking activities that furthers its charitable aims for the benefit of its beneficiaries.

Support costs

Support costs are incurred supporting the charity's activities and include expenditure associated with administrative and finance functions, business support, human resources, IT and governance. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include those related to constitutional and statutory requirements, external scrutiny, strategic management, and other legal and professional fees.

Dunlop & District Community Company
(Company limited by guarantee)
Notes to the financial statements
for the year ended 31 July 2019

1 Accounting policies (continued)

1.5 Tangible fixed assets and depreciation

All fixed assets are recorded at cost and are treated as having been met from restricted funds. The cost of minor additions are not capitalised but are simply charged as expenditure against unrestricted funds. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over its anticipated useful life as follows:

Leasehold property	over the term of the 25 year lease
Fittings and equipment	over 5 years

1.6 Taxation

The company is a registered Scottish Charity and is exempt from UK corporation tax on its charitable activities or chargeable gains. The company is not required to register for value added tax. Consequently it is therefore not able to recover any value added tax incurred on its expenditure and therefore resources expended include this irrecoverable value added tax.

1.7 Fund accounting

Funds are classified as either unrestricted or restricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity. The restricted funds represent the charity's investment in fixed assets and any movements during the year are wholly in respect of additions, disposals and depreciation. These funds will continue to be depleted over the course of the lease of the Dunlop Village Hall until it's expiry in 2031.

1.8 Transfers between funds

Transfers are made from unrestricted funds to restricted funds where the restricted funds available are insufficient to meet capital or other expenditure incurred during each year where further funding is not available to meet the shortfall.
